

Presenter instructions:

Dear Colleague,

Thank you for contributing to the European DOHaD conference 2026. Below, you can find the presenting instructions for talks and posters.

Instructions for Talks

Two presentation formats will be applied:

- **Invited Speakers:** 25 minutes presentation + 5 minutes Q&A (30 minutes total)
- **Talks:** 10 minutes presentation + 5 minutes Q&A (15 minutes total)

We kindly ask all the presenters to **adjust to these limits** to ensure that every presenter receives their allotted time, while simultaneously preserving a fair length for breaks between sessions.

Presentations will be loaded onto a conference laptop, presenters cannot present from their own device. On the day of your presentation, please arrive in the morning (between 08:00 and 09:00) to load your presentation onto the laptop with a USB drive, and make sure it works properly.

Instructions for Posters

- **Maximum poster size:** A0 (84.1 × 118.9 cm or 33.1 × 46.8 inches)
- **Orientation:** Portrait

Please bring your printed poster to hang on our poster boards. Pins/tape to hang the posters will be provided on site.

The poster session will take place on Day 2 of the conference (September 15) between 15:30-17:30. The presenters are expected to hang their posters before the session on Day 2, between 8:30-15:30. The presenters are expected to be available at their poster during the session.
